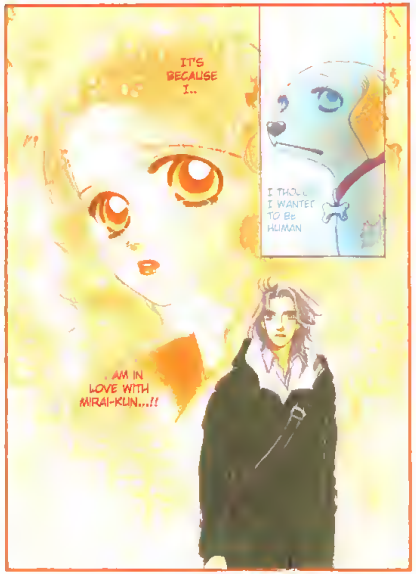
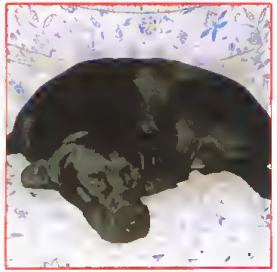
Dog or human... which Ponchan does Mirai-kun love?

Strong feelings and lots of silliness!!



The second volume of Guru Guru Ponchan!

作者のひとこと



♥Invited by the awakening love towards Mirai-kun, Pon-chan's face has gradually become more and more girlish, it's already totally different from the time in beginning of volume one. In a good meaning, it was beyond my expectations. By the way, even though the Ponchan's in my house, are in their male prime right now (around 30 in human years), they still don't know the thing called love.

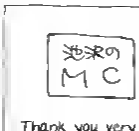
PEOPLE LIKE YOU, WHO DON'T KNOW ANY-THING,



Thank you very much for purchasing volume two!! Anyway, how are your doggies? Both of mine are fine. Recently, some people said they were too fat (40kg), so I put them on a diet. They're 31kg now, but they're still very big (laugh). Because I take care of both of them, I feel that dogs have their own personalities. Ponta is the "Older Child" personality, she has self control, a good temper, and likes to play with other dogs.

Everybody, tell me about your dogs personality! Ciao! See you next time!

SORRY! SORRY!
I couldn't help it!
BECAUSE YOU TWO WEAR THE SAME KIND OF HAT!
I can't take it!
DID YOU HAVE A GOOD DAY!?
I'M VERY HAPPY RIGHT NOW!
